THE 10th ANNUAL ARCHITECT 50

ROWLAND+BROUGHTON ARCHITECTURE / URBAN DESIGN / INTERIOR DESIGN INCLUDED IN ARCHITECT MAGAZINE'S LISTING OF THE TOP 50 FIRMS IN BUSINESS FOR 2018

ASPEN, CO — November 16, 2018 — Rowland+Broughton Architecture / Urban Design / Interior Design is pleased to announce that our studio has ranked 42nd in ARCHITECT magazine's listing of 2018's Top 50 Firms in business. Part of the magazine's tenth edition of the Architect 50 program, the business category is largely determined by a firm's net-revenue-per-employee figure, the change in net revenue from the previous year, and various employee benefits, among other factors.

ARCHITECT magazine is The Journal of The American Institute of Architects. According to the magazine's website, "This year's installment of Architect 50 is a testament to the program's staying power and momentum. The depth and talent of the 160 firms that completed submissions this year was unparalleled." The list featured a mix of small boutique firms and giant multinationals, repeat winners and new practices.

About the placement, R+B Principal Sarah Broughton notes, "We take a great deal of pride in being included in this prestigious listing by ARCHITECT magazine. R+B has experienced significant growth and made great strides during our fifteen years in business. In the years to come, we hope to continue our forward momentum to the benefit of our team, our clients and our business partners."
