COMPLETES THE NEW 'NARRATIVE' RESTAURANT IN
THE JACQUARD HOTEL IN DENVER, COLORADO**

DENVER, CO — January 11, 2019 — Rowland+Broughton Architecture / Urban Design / Interior Design is pleased to announce that we have completed interior design work on the new Narrative restaurant in The Jacquard, An Autograph Collection Hotel in Denver, Colorado.

Set within the dynamic Cherry Creek neighborhood, the 3,500 square foot signature restaurant is tailored to reflect the elegant, inviting style and upscale vibe of The Jacquard, and appeal to the younger, forward-thinking sensibilities and tastes of guests that frequent the locale. A 5,735 square foot rooftop bar, 'Kisbee on the Roof,' further elevates the experience.

The R+B team took inspiration from the setting's open, indoor-outdoor floor plan and high ceilings, which are accentuated by abundant natural light. The expansive space is grounded by rich, elegant materials, such as Magma herringbone mosaic tile flooring, and custom lights are suspended from interior columns. Additional materials and treatments include painted wood wainscot, pewter-color Liquidmetal coating at the bar and WhisperSpan at the ceiling. Restaurant seating, bar atmosphere, wine room, private dining options and rooftop flexibility are all critical components of the space. Led by R+B Principal Sarah Broughton, AIA, NCIDQ, the project team includes Jayna Kline, NCIDQ, IIDA, ASID and Leslie Cope, IIDA.
