**ROWLAND+BROUGHTON ARCHITECTURE / URBAN DESIGN / INTERIOR DESIGN  
NAMED A MEMBER OF THE PROFESSIONAL SERVICES MANAGEMENT JOURNAL'S  
2018 CIRCLE OF EXCELLENCE FOR THE EIGHTH YEAR**

**ASPEN, CO — July 27, 2018 —** Rowland+Broughton Architecture / Urban Design / Interior Design is pleased to announce that we have been named to the Professional Services Management Journal's 2018 Circle of Excellence. This marks our eighth year on the exclusive listing, which recognizes successfully managed architecture and engineering firms that demonstrate outstanding achievements in areas such as profitability, overhead management, cash flow, productivity, business development, staff growth, and turnover. PSMJ 2018 COE firms will be honored at THRIVE 2018: The A/E/C Growth, Profit and Performance Summit on October 22-24, in San Diego, CA.

The Circle of Excellence (COE) represents the top 20 percent of participants in PSMJ's annual [A/E Financial Performance Benchmark Survey](#), based on 13 key performance metrics. According to Jill Stoodley, Managing Editor of A/E/C Industry Surveys, less than 2% of the more than 350 firms participating in the survey this year have made the Circle of Excellence for more than eight years. "It's very rare and very impressive," she notes.

"Each year, the Circle of Excellence firms come from all corners of the A/E space," notes Frank A. Stasiowski, FAIA, Founder and CEO of PSMJ Resources. "This diversity demonstrates that success isn't defined by a specific firm size, location, or market niche. The top-performing firms just think and act differently from the rest of the pack to achieve extraordinary business performance."

Commenting on the achievement, Rowland+Broughton Principle, Sarah Broughton, AIA, shares, "As we celebrate R+B's 15<sup>th</sup> anniversary this summer, we are especially proud to have our studios recognized by PSMJ. To once again be included in the elite group of firms that have been named to the Circle of Excellence is a testament to the diligence and determination our Aspen and Denver teams. As we look to the future, we will continue to raise the bar on performance in every aspect of our work and surpass the expectations of our clients."
