About supporting Bauhaus 100: Aspen, R+B Director of Culture Izzi Wagner, shares, "Involvement in the Aspen community, where we live and work, is a vital part of R+B's overall culture. Having just celebrated our 15th anniversary in business, we are proud to serve as stewards of our historical past while investing in the future of our community as a whole. Supporting Bauhaus 100: Aspen is a natural fit, and we look forward to championing the design concepts and practices that have influenced the character of our town for so long."

About Bauhaus 100: Aspen – The mission of Bauhaus 100: Aspen is to celebrate the centennial anniversary of the Bauhaus, to commemorate its influence on Aspen, and to illuminate the many ways in which it has impacted the city and continues to inspire artists, designers, architects, landscape architects and thinkers in the Roaring Fork Valley. The goal is to educate the community and visitors about the Bauhaus through a diverse presentation of events, including exhibits of works and projects by Bauhaus architect Herbert Bayer, who designed many of Aspen's historic buildings.
